I will not be able to make the public hearing on Nov. 1st in person so I would like to make an objection by this email for the record. The objection I would like to make is stated in the public notice stated "and to currently refund the outstanding School Infrastructure Sales, Services and Use Tax Revenue Refunding Bonds, Series 2015, dated February 5, 2015. There is nothing about this on the ballot question that was passed at the special election and as such, there should be no money allotted for refunding outstanding bonds. The ballot question specifically said for future improvements. If this measure is passed by the board, I will seek legal counsel to check the legality of this action.

**ADJOURNMENT:** Hazelton moved, seconded by Bladt to adjourn. Motion carried 5-0 and the public hearing was adjourned at 5:17 P.M.
